- 4. Build diverse, inclusive and effective workforces & workplaces**
- 5. Foster & strengthen trusting partnerships**

*Our Motto:  
Acquire, Innovate, & Deliver (AID)*

# Systems/Programs Managed

*AFLCMC... Providing the Warfighter's Edge*

## ISR – FIND/FIX

GLOBAL HAWK  
(WIA)

MC-12W (WIJ)

RC-135 (WIJ)

U-2 (WIA)

ISR Sensors  
(WIN)

Special Warfare  
& TACP  
(WIS/HBD)

TENCAP (WIX)

NTNF (WIN)

## MOBILITY - INFILTRATE

CV-22 (WIB)

HH-60W, MH-  
139A (WIH)

HC/MC-130J (WIS)

EC-130J (WIU)

HH-60G, TH-1H & UH-  
1N (WIU)

WIA- U2  
WIA - Global Hawk  
WIH - HPO  
WII - Med Alt UAS  
WIJ - 645 AESG  
WIN - ISR Sensors

WIX - AFTENCAP  
WIS - SOF/PR  
WIU - SOF/PR & Rotary  
WIB - CV-22  
WID - Attack Systems

## STRIKE - FINISH

MQ-9 (WII)

EC-130H(WIJ)

AC-130J (WIU)

AC-130W (WIU)

A-29 B/C (WID)

A-T6E (WID)

OA-1K (WID)

# Challenges, Issues & Capability Gaps

*AFLCMC... Providing the Warfighter's Edge*

- Affordable sustainment and modernization
- Artificial Intelligence/Machine Learning (e.g. Target Recognition)
- Support Agile Combat Employment for Legacy Platforms
- Vehicle agnostic integrated multi-domain sensing technologies & modalities
- Low-Cost, Low-SWaP sensors
- ISR SOF platform communication connections/nodes
- Light Reconnaissance Aircraft
- Battlefield Airman Equipage
- Crypto/Cyber Protection
- High Speed Vertical Lift
- Digital Transformation Opportunities
- Innovation Opportunities

# Opportunity 1- AFLCMC/WIA

## U-2 Non-Flying Equipment Items

*AFLCMC... Providing the Warfighter's Edge*

### Business Opportunities

Partnership between U2 Program Office, Original Equipment Manufacturers (OEMs) and small businesses to acquire non-flying equipment items to include:

- Wing plank tools, pressure test kits, EW Test Hood kits
- Pilot transport vans & trailers
- A/c jacks/lifts/hoists & flightline carts
- Equipment repair parts
- Other non-flying items

### Schedule

- Requirements identified/developed annually
- Estimated 12-15 SAP actions per FY
- Over 115 GPC purchases per FY

### Contract Information

- Small Business Set-Aside using database of pre-qualified SBs established/maintained by SBA & Robins Small Business Office
- Contract Types: Government Purchase Cards (up to \$10,000) and Simplified Acquisition Procedures (SAP)
- **U-2 Program Manager:** Johnny Foster AFLCMC/WIAU, [johnny.foster.1@us.af.mil](mailto:johnny.foster.1@us.af.mil); 478-926-8440

# Opportunity 2 – AFLCMC/WIS

## Combined WIS/WIU Lifecycle Contract

*AFLCMC... Providing the Warfighter's Edge*

### Business Opportunities

- Projected contract for all lifecycle acquisition, production & sustainment support of AC/HC/MC-130J fleet
- Encompasses:
  - Hardware and software development, integration, verification, production, and install support
  - Sustaining engineering support
  - Technical & technical documentation support
  - Crisis management support
  - Study support
  - Fleet Sustainment and Field Deficiency support
  - Certification and De-mil support

### Schedule

- RFI Released into sam.gov: 28 Feb 23
- Contract Award: FY25
- Notional Period of Performance: FY25-FY35

### Contract Information

- Notional ceiling: \$500M-\$1B
- Performing market research IAW FAR Part 10—no determination acquisition/contracting strategy
- POCs:
  - PM: Zac Nelson, [zackary.nelson.3@us.af.mil](mailto:zackary.nelson.3@us.af.mil)
  - PCO: Ian MacDonald, [ian.macdonald.6@us.af.mil](mailto:ian.macdonald.6@us.af.mil)

***Any-and-all Questions Related To This Contract Must Be Routed To The PCO***

# Opportunity 3 – AFLCMC/WIU

## TH-1H Depot Maintenance

*AFLCMC... Providing the Warfighter's Edge*

### Business Opportunities

Description: Provide contract Depot Level Maintenance (DLM) on the TH-1H helicopter; repair defects to ensure safe operation of the aircraft during its operational life.

### Schedule

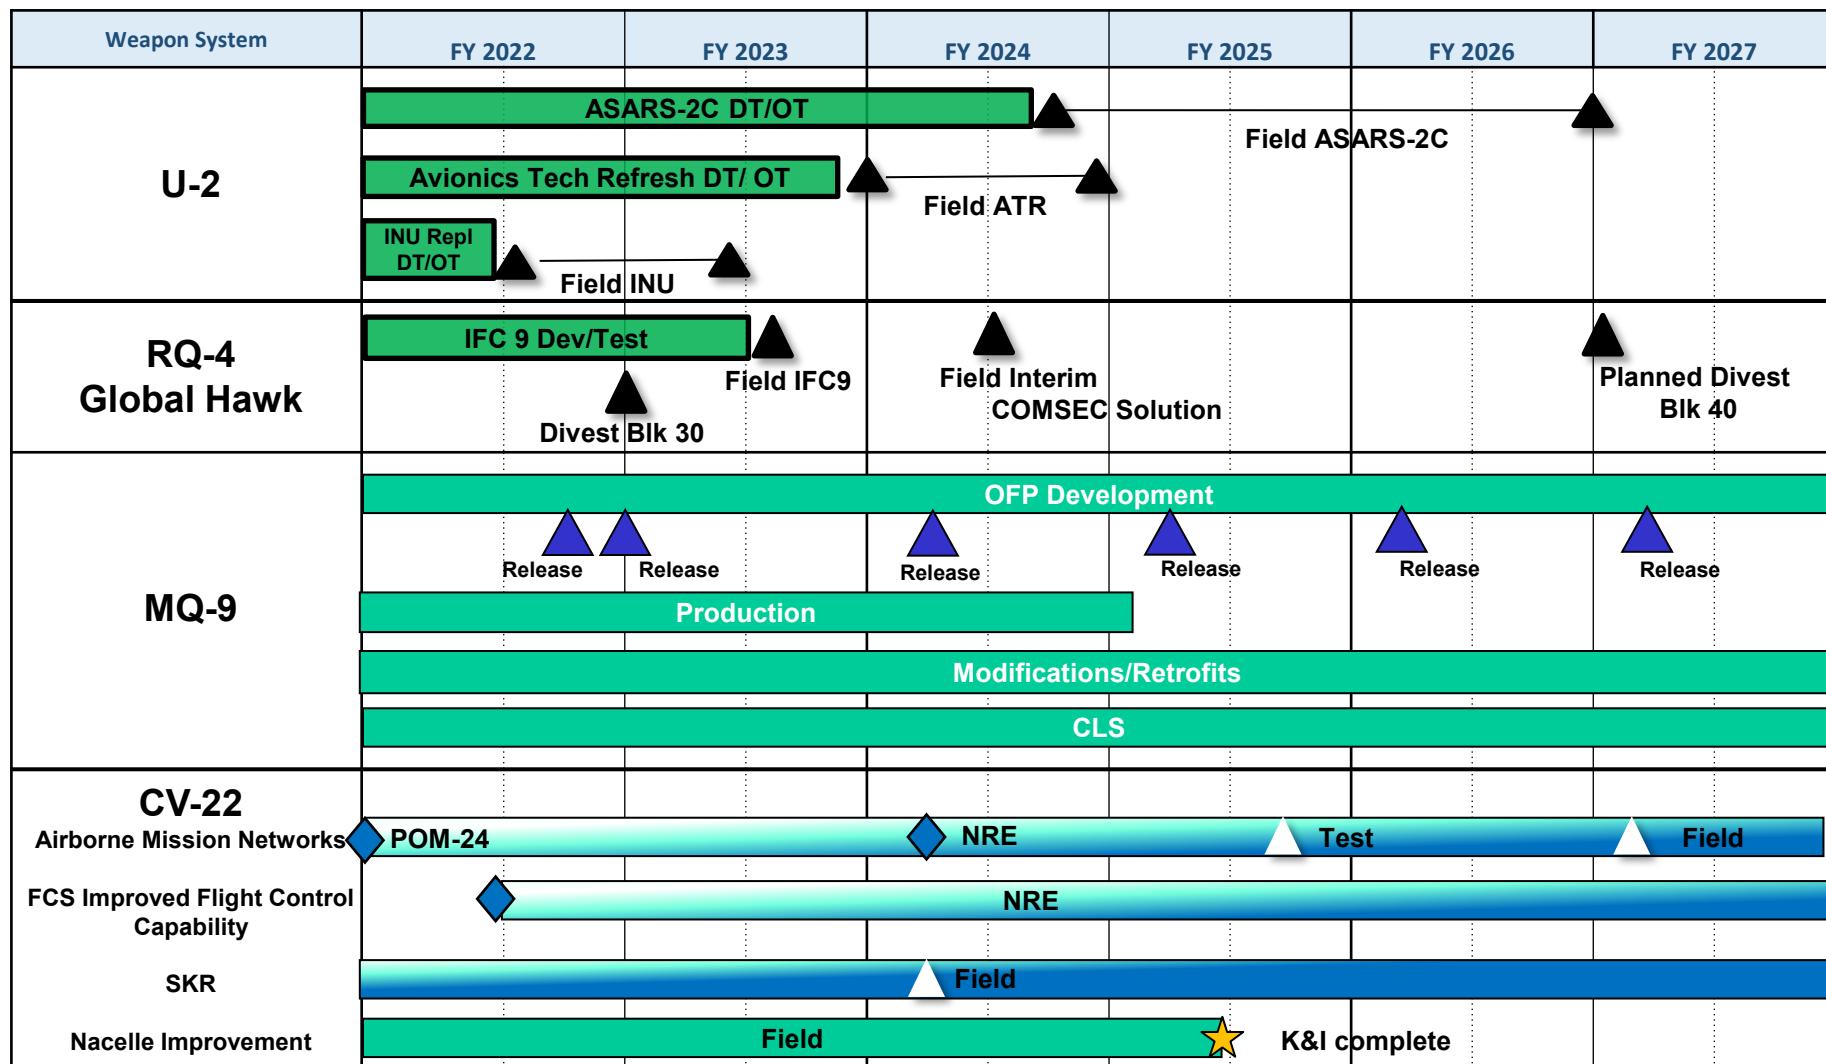

- Tentative Contract Award: 1 May 2024
- Period of Performance: Projected 31 May 24 - 30 May 32  
(Base + 7 Options)

### Contract Information

- Contracting Award: Competitive SB Set Aside
- Look for subcontracting opportunities via SAM.gov website
- Points of Contact:  
Mr. Calvin Garth, PM, (478) 926-4512  
Capt. Tarha Mazyck, PCO, (478) 331-1681
