Section 804 – 2	ACAT I – 10
FMS Cases – 715	ACAT II – 3
	ACAT III – 12

Core Values of the Enterprise

Be an Expert in What Matters

MISSION FOCUS + TECHNICAL EXCELLENCE

- Think 2-up and 1-down
- Be experts in your field
- Proliferate digital
- Right problem, right data, right people

Bring Future Faster

LEADERSHIP + INNOVATION

- Think big, start small, scale fast
- Choose future over past
- Think "Yes if .." not "No because"
- Embrace "branches and sequels"
- Three steps ahead
- World-class forecasters

Win Together

TEAMWORK + COMMUNICATION

- Be direct and kind
- Attack ideas, not people
- Celebrate victories
- Build lasting partnerships to transform weapons enterprise
- Be trustworthy
- Build shared understanding

Armament Directorate Lines of Effort

- LOE 1
 - Synchronize Weapons Enterprise
- LOE 2
 - Increase Velocity to Meet Weapons Roadmap Priorities
- LOE 3
 - Accelerate EB's Digital/Agile Transformation through Workforce and Workplace Improvements

Weapons Acquisitions is a Joint Venture

- Focus on Warfighter Needs
- Use Agile and Model-based Processes to Reduce Risk
- Pursue Openness and Agility Utilizing Enterprise GRA, Agile Processes and Innovative Mindsets
- Improve Timeliness and Quality of Products
- Radical transparency between Government and Industry
- Evaluate Opportunities to Minimize Obsolescence Challenges

The Weapons of the Future

Attributes of All Future Weapons

Precision	Survivability	Exportability	Upgradability	Connectivity
Offsets Mass Advantage in Time Advantage in Space The next Quantum Leap...	Reduces Overall Campaign Cost Less survivable is exponentially bad	Allied by Design Capability Capacity Deterrence Cost	What does WOSA really mean? Industrial Flexibility Requirements Flexibility Tactical Flexibility	Networked Collaborative Autonomous Every Shooter a Sensor Every Weapon a Sensor

Opportunities

- EWAAC
 - On-Ramp II- completed March 2023
 - On-Ramp III- completed June 2023
 - Next On-Ramp (IV) late 2023/early 2024
- Industry Pitch Days
 - Currently projected for Jan-Feb 2024
 - Will incorporate both weapons & armament and support & sustainment solutions
